Management System Policy

A Management system will be developed with standards which assure that nationally consistent, high-quality training and assessment services are delivered to our clients.

The Management system will include documents that:

- meet the requirements of the different Training Packages
- are documented in a form that complies with the requirements of the Standards for Registered Training Organisations 2015
- can be contextualised to meet the requirements of specific clients and stakeholders
- involve input from enterprises and other stakeholders in relation to Training Package material
- provide trainer resources in the form of documents, packages or guides that assists trainers in delivering Training Packages
- review and evaluate materials on a regular basis
- ensuring records are managed in a secure way to protect the accuracy and integrity of documents
- meet the requirements of ISO9001 Quality Management Systems Standards

Auditing of the Management System will include:

- The management system shall be audited by a MGTD Pirii appointed internal auditor at least once in every 12 month period.
- The management system shall be audited by a certified auditor, holding a minimum of PECA or IRCA Lead Auditor qualification. RABQSA registration shall not be deemed of sufficient standard to meet this requirement.
- MGTD Pirii shall seek certification to ISO9001 within 2 years of April 2014, (prior to 2016) and from that date forward ensure retention of certification.
