Introduction
This skill set provides a set of skills to establish, maintain and facilitate the provision of appropriate first aid in a workplace environment, including the skills to provide an emergency first aid response in the event of an emergency.

Refresher requirements
Requirements for refresher training may vary between relevant national/state/territory Work Health and Safety Regulatory Authorities, however MGTD Pirii suggests that all students should undertake CPR refresher training every 12 months (1 year).

Entry Requirements
There are no entry requirements for this skill set, however students will require sufficient foundation skills to meet the performance requirements as described below. Persons attending for any first aid refresher course will be required to provide a copy of their previous current first aid unit of competency to at least the level of the unit of competency they are attending.

Units of competency contained within this skill set
HLTAID006 Provide advanced first aid (see course outlines for further information)
HLTAID007 Provide advanced resuscitation (see course outlines for further information)
HLTAID008 Manage first aid services and facilities (see course outlines for further information)

Textbook
Every student receives the latest First Aid and Advanced First Aid guidebooks/manuals.

Delivery, duration and fees
4 days (32 hours) face to face in classroom: fee $665.00 (GST Free)

Group and workplace delivery
Courses are also available for delivery within the workplace or for groups – please contact us at admin@mgtdpirii.edu.au for a quotation.

We will deliver courses at your premises within the Perth metropolitan area for no additional cost. For all other areas we practice reasonable cost recovery.
